100 Cluster

January 2009 Newsletter

*Notes from the Homeroom:*

Happy New Year! We hope everyone had a relaxing holiday break with family and friends. It is always a good time to rest, relax and enjoy good company. It has been a crazy winter between all of the snow days and power outages, but that has not stopped the action from going on in the 100 Cluster this month!

Students had the opportunity to participate in a wide variety of activities including clubs, various sporting events, snow fort building and Dance, Dance Revolution. On January 20th, we had our monthly 100 Cluster activity day. The students had the opportunity to participate in a cluster-wide brunch in the morning and sledding outside or watching a movie inside in the afternoon. All in all, it was a great day and a wonderful opportunity for the students to spend time with those outside of their own classroom in a pseudo-familial atmosphere. Next month, the students are looking forward to the Scholastic Book Fair.
