

Lighthouse School®
300 Cluster Newsletter
January 2009

Notes from the Homeroom:

Happy New Year! The 300 Cluster has started the New Year off on the right foot! Over the course of this month, students have had the opportunity to participate in several exciting clubs, for example Girls Club, Chess Club, Craft Club, and a 300 Cluster favorite, the Pinewood Derby Club.

Throughout the month, students had an opportunity to save their tokens for our 300 Cluster activity day. Some of the rewarding activities the homerooms participated in included a spaghetti and meatball dinner, movies, make your own subs, an opportunity to cook in the kitchen as a class, and time in the gym for sports and exercise. Everyone had a blast!

In January, many students also had an opportunity to go offsite for job training at the Hawthorne Suites and Meadow Lodge to help prepare them for employment after Lighthouse School. Many students in the 300 Cluster also had the opportunity to sharpen their job skills while working in the AMP, our school store. Keep up the great work!

The 300 Cluster also has a lot of students participating on the Junior Varsity and Varsity basketball teams. Teams practice once a week and frequently have games as well. We also have many students who chose to spend their tokens to be spectators at these games. Good Luck Teams!

The 300 Cluster is off to a wonderful start this year! We look forward to all the exciting clubs and activities February has to offer, including basketball games, MCAS re-tests, beauty days, Rockband, Guitar Hero, and of course more Pinewood Derby!
