

**Lighthouse School®  
100 Cluster  
September 2009 Newsletter**

*Notes from the Homeroom*

Welcome Back! September has come to an end and we are back in the full swing of our school year. The first week of school we were able to gather as a cluster to enjoy a quick breakfast in the hall. This gave us an opportunity to meet all of the staff and students, as well as start the year off in the Physical Dimension with a healthy breakfast. As a cluster we shared bagels, muffins, oranges, bananas, cantaloupe, milk, and orange juice. It was a fun way to gather together to begin our year. In addition, we also jumped right in with tryouts for our Lighthouse Breakers soccer and flag football teams. Everyone did a great job taking a risk and participating regardless of athletic ability. We were able to join together as a family to kick off the sports season with our annual Pep Rally to show our support for our beloved teams. Students wrote cheers and made posters to support the students who have been chosen to represent us on the field. Congratulations to 102 who won the cheer contest and earned a pizza party! Students who did not make the sports teams will have the opportunity as part of the Motivation Mobilization process to purchase tickets to on-site sporting events in order to cheer on our teams.

Just a reminder that in the 100 Cluster, homework goes home on Tuesday (ELA), Wednesday (History or Science), and Thursday (Math) nights. We are all looking forward to an energetic successful year with all of the students! Go Breakers!
